Profile

Dedicated and enthusiastic Mathematics, Science, and Computer teacher skilled in building engaging, inclusive classrooms and interdisciplinary curricula that boost critical thinking and retention. Alongside teaching, I'm an IT enthusiast with hands-on experience in project management, web development, and social initiatives, currently building my skills in networking and DevOps to move into network-focused roles. A strong team player who thrives on solving problems and delivering great user experiences through collaboration and innovation.

Higher Secondary Education (I.Sc. – Science)
Kantipur Secondary School, Biratnagar, Morang
2075 – 2077
CGPA: 2.9

Secondary Education Examination (S.E.E.)
Srijana Secondary English Boardingh School;Golbazar,siraha
2074
GPA: 3.20

TECHNICAL SKILLS

Programming Languages

- C
- C++
- Html, Css3, JavaScript, Php, NodeJs, React
- python
- Java
- MySQL
- **DevOps:** CI/CD basics, currently building hands-on skills
- **Version Control Tools:** Git, GitHub (repositories, branching, pull requests, collaborative workflows)

-

Networking

- Computer Networking Fundamentals
- IP Addressing (IPv4/IPv6)
- Routing & Switching
- LAN/WAN Configuration
- TCP/IP, DNS, DHCP
- Network Troubleshooting

Operating Systems

- Windows Installation and Configuration
- System Updates and Maintenance
- Linux(ubuntu)
- Oracle VirtualBox

Hardware & Troubleshooting

- Computer Assembly and Repair
- Desktop & Laptop Troubleshooting
- Hardware Diagnostics and Preventive Maintenance

Additional Skills

- Microsoft Office 365
- PDF and Document Management
- Data Entry and Reporting

Projects Work

Mini Project: Library Management System(Created a user-friendly system to manage books ,students and transactions And Built using MySQL with an easy admin panel.)

Minor Project: Human Face Detection(Implemented face detection system using Python and OpenCV And used Haar cascade classifiers for real-time face detection via webcam feed)

Major Project: ElectroNest (Built web application)

Work Experience

Secondary Level Teacher (2076)

Key Responsibilities

- Taught Mathematics, Science, and Computer to secondary-level students.
- Prepared and delivered lesson plans based on the curriculum.

- Assessed student performance through assignments and examinations.
- Maintained an engaging and disciplined classroom environment.

Certified And Traning

- DevOps Tranning Certified By (Tech Axis institute; Lalitpur , Jawalakhel)

Languages

- English
- Hindi
- Nepali.
